## OET Writing – Perfect Tenses with Reported Speech

**Starter:**

**Look at this paragraph from the ‘timeline’ section of an OET letter:**

During his appointment today, Mr Linklater reporteded that he **had** had tiredness and depression over the previous twelve months. In addition, he stateded that he **had** been experiencing nausea and had sore eyes. He mentioneded that he **had** often been dizzy in the previous three weeks.

**There are three times when the verb ‘had’ should be added – Where?**

During his appointment today, Mr Linklater reported that he **had** had tiredness and depression over the previous twelve months. In addition, he stated that he **had** been experiencing nausea and had sore eyes. He mentioned that he **had** often been dizzy in the previous three weeks.

**Why are we using the word ‘had’ in these places?**

## Practice:

How could we report the information that Mrs Hawthorne provided at this appointment?

02.04.19	Menstrual spotting = 3 months; experiencing menorrhagia and dysmenorrhea; ↑hairiness; ↑greasiness of skin Canestan x5 in last year Removal of IUD with nurse prescribed
----------	--
